

Greatham Church of England Primary School

Anti-bullying policy

BULLYING: OUR SCHOOL'S VALUES AND BELIEFS

We are a Church of England Voluntary Controlled Primary School and in an attempt to encapsulate the ethos, spirit and aims of our school we have agreed the following:

“We are a Christian School committed to providing a secure, welcoming, happy, stimulating and challenging environment.

The needs and abilities of each individual child will be addressed through a high quality, broad and balanced curriculum.

We encourage all children to value success and excellence, developing their skills, abilities, confidence and self-esteem, so that they may grow into independent and responsible members of society.

We promote a sense of belonging to a Christian school in which mutual care, respect and partnership with the home and the community are very important.”

In line with this statement:

- All bullying, of any sort, is therefore unacceptable.
- Pupils who experience bullying will be supported.
- We recognise the effects that bullying can have on pupils' feelings of worth and on their school work, and the school community will actively promote an anti-bullying environment.

OUR INTENTIONS IN PRODUCING THIS POLICY ARE

To express our belief that all pupils should be included fully in the life of the school.

To provide a learning environment free from any threat or fear, which is conducive to the achievement of individual aspirations.

To reduce and to eradicate, wherever possible, instances in which pupils are made to feel frightened, excluded or unhappy.

To reduce and to eradicate, wherever possible, instances in which pupils are subject to any form of bullying.

To respond effectively to all instances of bullying that are reported to us.

To establish a means of dealing with bullying, and of providing support to pupils who have been bullied.

To provide support for pupils who are accused of bullying, who may be experiencing problems of their own.

To ensure that all pupils and staff are aware of the policy and that they fulfil their obligations to it.

To meet any legal obligations which rest with the school.

OUR DEFINITION OF BULLYING

Bullying involves dominance of one person by another, or a group of others, is pre-meditated and usually forms a pattern of behaviour.

Bullying is therefore:

- Deliberately hurtful
- Repeated, often over a period of time
- Difficult for victims to defend themselves against.

It can take many forms but the main types are:

- Physical – hitting, kicking, taking another's belongings
- Verbal – name calling, insulting, making offensive remarks
- Indirect – spreading nasty stories about someone, exclusion from social groups, being made the subject of malicious rumours, sending malicious e-mails or text messages on mobile phones/social networking sites.

Some forms of bullying are attacks not only on the individual, but also on the group to which he or she may belong. Within school we will pay particular attention to:

- Racial harassment and racist bullying
- Sexual bullying
- The use of homophobic language
- Bullying of pupils who have special educational needs or disabilities.

CREATING AN ANTI-BULLYING CLIMATE IN SCHOOL

Our school's Behaviour and Rewards Policy explains how we promote positive behaviour in school to create an environment where pupils behave well; where pupils take responsibility for each other's emotional and social well-being; and where they include and support each other.

We also draw on the school's Curriculum and SEAL materials (Social and Emotional Aspects of Learning) and promote appropriate behaviour through direct teaching, and by creating an emotionally and socially safe environment where these skills are learned and practised. Our aim is to create a climate where bullying is not accepted by anyone within the school community.

Our curriculum is used to:

- Raise awareness about bullying and our anti-bullying policy
- Increase understanding for victims and help build an anti-bullying ethos
- Teach pupils how constructively to manage their relationships with others

Circle Time, assemblies, role- plays and stories are used to show what pupils can do to prevent bullying, and to create an anti-bullying climate in school.

Bullying will not be tolerated and we make this clear in the information we give to pupils and parents when they join our school.

The school Charter is displayed around the school and in classrooms to remind pupils of their rights and responsibilities.

We will publish our anti-bullying policy on the school web-site.

We will provide written guidance for parents in the school handbook what to do if they suspect their child is being bullied at school.

We will ask pupils whether they feel safe in school and we will supervise, and try to eliminate any unsafe areas which they report to us.

We will provide regular training/reminders for teachers and non-teaching staff on spotting the signs of bullying and how to respond to it.

STRATEGIES FOR DEALING WITH BULLYING

In dealing with incidents of bullying we will use a range of strategies, selecting those appropriate to the circumstances from the following list:

- Cooperative group work throughout the school ~ To encourage children to work together, be tolerant of others' ideas, trust others and be more willing to listen.
- Circle time ~ To set time aside for pupils to take part in enjoyable games, activities and discussion in a safe environment where all opinions are valued.
- Buddying ~ To appoint a specific pupil(s) as a support / friend [appointed by a member of staff]
- School Council ~ To allow pupils to improve their environment by taking responsibility for their behaviour and actions.
- Support group ~ To involve the bullied pupil, those involved in the bullying and bystanders to form a group to support the bullied pupil. Responsibility for change lies with those involved in the bullying.
- Mediation by adults ~ To establish ground rules that will enable the bully and the person being bullied to co-exist in school.

[For further clarification see DfES "Bullying – Don't Suffer in Silence" anti-bullying pack p 21-31]

RESPONDING TO INCIDENTS WHEN THEY OCCUR

Pupils who have been bullied should report this to:

- Their identified adult in school
- Any member of staff (Teachers, Teaching Assistants or Midday Supervisors)
- Their class member of the school council

- Their parents
- A school friend

Pupils who see others being bullied should report this to:

- Any of the above

Members of staff who receive reports that a pupil has been bullied should report this to

- A member of the senior management team (Head, Deputy Head or Senior Teacher)

Reports of bullying will be logged by:

- The class teacher or member of SMT

Where bullying is of a racist nature, we will report this to the Local Education Authority using the Racial Incident Report Form.

All reports will be taken seriously and will be followed up by the class teacher or member of the SMT

Work with children who have been bullied could involve some or all of the following:

We will provide support to pupils who are bullied:

- They will be reassured that they do not deserve to be bullied and this is not their fault.
- We will assure them that it was right to report the incident.
- We will encourage them to talk about how they feel.
- We will try to ascertain the extent of the problem.
- We will engage them in making choices about how the matter may be resolved.
- We will try to ensure that they feel safe.
- We will discuss strategies for being safe and staying safe.
- We will ask them to report immediately any further incidents to us.
- We will affirm that bullying can be stopped and that our school will persist with intervention until it does.
- We will involve their friends / older pupils in peer support / the buddy system/ mediation

We may then adopt strategies from the following list as appropriate:

- We will interview the pupil (or pupils) involved in bullying separately.
- We will listen to their version of events.
- We will talk to anyone else who may have witnessed the bullying.
- We will reinforce the message that bullying is not acceptable, and that we expect bullying to stop.
- We will seek a commitment to this end.

- We will affirm that it is right for pupils to let us know when they are being bullied.
- We will adopt a joint problem solving approach where this is appropriate, and ask the pupils involved to help us find solutions to the problem. This will encourage pupils involved to take responsibility for the emotional and social needs of others.
- We will consider sanctions under our school's Behaviour & Rewards Policy.
- We will advise pupils responsible for bullying that we will be checking to ensure that bullying stops.
- We will ensure that those involved know that we have done so.
- When bullying occurs, we will contact the parents of the pupils involved at an early stage.
- We will keep records of incidents that we become aware of and how we responded to them.
- We will follow up after incidents to check that the bullying has not started again.
- We will also work with pupils who have been involved in bullying others to ascertain the sort of support that they themselves need.

There is a tendency, often quite a natural one, to want to investigate an incident and "get to the bottom of it." Sometimes this will be entirely appropriate. There will be other occasions where an extended investigation is actually unhelpful and where a problem solving approach will be the most effective response.

Our policy will be to use our discretion to respond flexibly and in an appropriate way to each incident

WHEN TOUGHER MEASURES ARE NEEDED

If necessary, we will invoke the following range of sanctions that are in line with the school's Behaviour & Rewards Policy. These include

- Removal from the group(Within the class)
- Withdrawal of break and lunchtime privileges
- Withholding participation in school events that are not an essential part of the curriculum.
- In extreme cases we will also consider fixed term and / or permanent exclusion from school.

OUR RESPONSIBILITIES

Everyone within school is expected to:

- Act in a respectful and supportive way towards one another, and
- Adhere to and to promote the objectives of this policy.

Pupils are expected to:

- Report all incidents of bullying and suspected incidents that victims may be afraid to report.

- Support each other and to seek help to ensure that everyone feels safe and nobody feels excluded or afraid in school.

Parents can help by:

- Supporting our anti-bullying policy and procedures.
- Encouraging their children to be positive members of the school community.
- Discussing with their child's teacher any concerns that their child may be experiencing bullying or if they are unhappy in some other way.
- Helping to establish an anti-bullying culture outside of school.

BULLYING OUTSIDE THE SCHOOL PREMISES

Schools are not directly responsible for bullying that occurs off the premises but we know that bullying can occur outside the school gates and on journeys to and from school. The bullying may be done by pupils from our own school, by pupils from other schools or by people who are not at school at all. Where a pupil or parent tells us of bullying off the school premises we will:

- Talk to pupils about how to avoid or handle bullying outside of school.
- Talk to the Headteacher of another school whose pupils are bullying.
- Talk to the police.

The DfES says that, "exceptionally failure to take disciplinary steps to combat harmful behaviour outside the school might breach the school's common duty of care." Legal Services advise that schools can take disciplinary action against pupils for incidents that occur outside of school.

CONCERNS, COMPLAINTS ... AND COMPLIMENTS

We recognise that there may be times when parents feel that we have not dealt well with an incident of bullying and we would ask that this be brought to the Headteacher's notice. If the Headteacher cannot resolve these concerns informally, parents can raise their concerns more formally through the school's Complaints Procedure a copy of which may be obtained from the school office.

We would also be pleased to receive Compliments – feedback from parents when things have gone well.

EVALUATING OUR POLICY

We will evaluate our anti-bullying policy using the following measures:

The numbers of incidents that are reported to staff over a given period.

Pupils' perceptions of bullying in school through structured discussions in class time.

The number of days of absence which are thought to arise as a consequence of bullying.

We will investigate patterns of absence to ensure that children are not taking unnecessary days off school due to fear of being bullied.

The number of complaints and compliments that we receive from parents.

From the comments made by visitors and other people connected with the school.

OWNERSHIP OF THIS POLICY

This policy was agreed by staff and governors of the school.

The policy applies to all staff and to all pupils, whether temporarily or permanently on the school roll.

The Headteacher is responsible for introducing and implementing this policy. However all staff, all pupils and their parents have an active part to play in the development and maintenance of the policy, and in its success.

One of our Governors takes responsibility to monitor bullying incidents within school.

Governors will be given regular information on bullying within school, and a report on the operation of this policy from a named governor.
