

Geography – Upper Key Stage 2

Geographical Enquiry	Physical Geography	Human Geography	Geographical Knowledge
<ul style="list-style-type: none"> • I can collect information about a place and use it in a report. • I can map land use. • I can find possible answers to my own geographical questions. • I can make detailed sketches and plans; improving my accuracy later. • I can plan a journey to a place in another part of the world, taking account of distance and time. • I can confidently explain scale and use maps with a range of scales. • I can choose the best way to collect information needed and decide the most appropriate units of measure. • I can make careful measurements and use the data. • I can use OS maps to answer questions. • I can use maps, aerial photos, plans and web resources to describe what a locality might be like. • I can accurately use a 4 figure grid reference. 	<ul style="list-style-type: none"> • I can explain why many cities of the world are situated by rivers. • I can explain how a location fits into its wider geographical location; with reference to physical features. • I can explain how the water cycle works. • I can explain why water is such a valuable commodity. • I can give extended descriptions of the physical features of different places around the world. • I can describe how some places are similar and others are different in relation to their physical features. • I can create sketch maps when carrying out a field study. 	<ul style="list-style-type: none"> • I can explain why people are attracted to live by rivers. • I can explain how a location fits into its wider geographical location; with reference to human and economical features. • I can give an extended description of the human features of different places around the world. • I can map land use with my own criteria. • I can describe how some places are similar and others are different in relation to their human features. 	<ul style="list-style-type: none"> • I can name and locate many of the world's major rivers on maps. • I can name and locate many of the world's most famous mountain regions on maps. • I can locate the USA and Canada on a world map and atlas. • I can locate and name the main countries in South America on a world map and atlas. • I can recognise key symbols used on ordnance survey maps. • I can explain how the time zones work.

Purpose of study

Pupils should extend their knowledge and understanding beyond the local area to include the United Kingdom and Europe, North and South America. This will include the location and characteristics of a range of the world's most significant human and physical features. They should develop their use of geographical tools and skills to enhance their locational and place knowledge.
